

“A PROMISE TO PROTECT”

Due to the high number of violations, the CAL Board has voted unanimously to implement the following penalty for parishes or schools who do NOT comply with the Safe Environment and BCI Check Protocols of our Diocese. Rosters will not be accepted without this cover page attached and signed as well as the roster.

“Acknowledging that the ultimate responsibility for placing the name of a coach on a roster lies with the administration of the Parish or School, the CAL Board will require a forfeit be assessed for every game in which a team has a coach who is NOT in compliance with the SE/BCI requirements. A forfeit includes a penalty fee (currently \$75.00).”

I, the undersigned Pastor or Principal, acknowledge being informed of this new policy.
